

# crates.io: crates released in the last 12 months

Source: crates.io DB dump, 2026-10-05T02:00:33.083576Z. Current (non-deleted) crates only.

Counting rule: a crate counts when it published at least one version in the previous 365 days.

The last point is 2026-10-01, so its window ends before the dump timestamp.
